**Inequality in access to
TECHNOLOGY perpetuates
gaps, limits opportunities for
human development and
condemns a significant
percentage of the population to
live in POVERTY.**

¿DID YOU KNOW...?

- **In Mexico**, the pandemic has left almost 10 million children behind 2 years in schooling. (IMCO, 2021)
- **33%** of Elementary Schools in Mexico **do not have computers** and the ones that do have them, own around 4 computers per school. (CENEVAL, 2020)
- **8.8 million children** abandoned school during the pandemic. (INEGI, 2021)

SOLUTION: UNETE

- Providing technological devices with educational content, and use of the internet for studying in the classroom.
- Face-to-face or virtual training and mentoring for their teachers.

We are a nonprofit
organization and ...

WE NEED YOUR HELP!

UNETE Mexican Foundation IS A REGISTERED NOT-FOR-PROFIT ORGANIZATION 501 (c)3 THAT SUPPORTS UNETE IN MEXICO.

OUR GOAL

- Equip **100 digital classrooms** in Mexico's public schools.
- Impacted students: **20,000.**
- Impacted teachers: **600.**

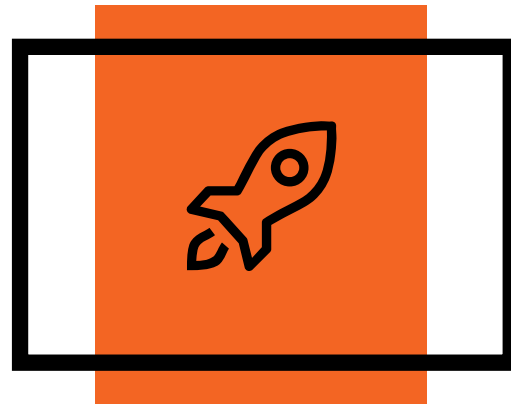

Each digital classroom includes equipment and training. In addition, teachers are mentored in the use of technology at the schools.
